

**Request for City Council Committee Action
From the Departments of Public Works and Procurement**

Date: February 14th, 2012
To: Honorable Sandra Colvin Roy, Chair Transportation & Public Works Committee
Referral to: Honorable Betsy Hodges, Chair Ways and Means Committee
Subject: **Approval of Official Publication No. 7556, Bids for Trailway Crack Filling and Seal Coating**

Recommendation:

Acceptance of the only bid of Upper Midwest Athletic Construction (Div. of Blacktop Repair Service, Inc.) for an estimated expenditure of \$162,220.00 to furnish and deliver all labor, materials, equipment and incidentals necessary to accomplish trailway crack filling and seal coating for the City of Minneapolis Public Works Department, as follows:

Lump Sum Bid for Trail Seal Coating

\$154,870.00

Crack Sealing based on an estimate of 7,500 lineal feet.
(Contractor will be paid for actual lineal feet sealed).

per lin. ft. \$.98 Total \$7,350.00

For a total estimated expenditure of: \$162,220.00

The initial Contract amount may be exceeded if the crack filling required is in excess of 7,500 lineal feet. The contract will be adjusted at the unit price bid.

Terms are net-30 days F.O.B.: Jobsite

Further recommend proper Officers be authorized and directed to execute a contract for this project, all in accordance with our specifications.

This has been approved by the Civil Rights Department.

Re: Single Bidder on OP 7556 Trailway Crack Filling and Seal Coating

In regards to the bid for Trailway Crack Filling and Seal Coating PO 7556, we have received one bid from Upper Midwest Athletic Construction a division of Blacktop Repair Services Inc. which we recommend to accept. The company has done work for the Minneapolis Park Board and Hennepin County for a number of years and has equipment to perform this type of work.

The department solicited a number of companies about this opportunity. The work is highly specialized in that the equipment needs to fit on the trails and be of limited weight in order not to damage the trail's pavement. In addition, crew size is larger because the trails, unlike roadways have people and vehicles that can enter the work site from all directions which makes traffic control more difficult.

The lump sum price is approximately \$1.48 a square yard with \$0.98 per lin. ft. for cracking filling. This is comparable to our costs for roadway seal coating and crack filling performed by City crews. Considering the addition needs for trail application, the bid is a reasonable submittal for the work specified and we would recommend acceptance of the bid.
